

THE ELECTRIC CANVAS

LARGE FORMAT PROJECTION SPECIALISTS

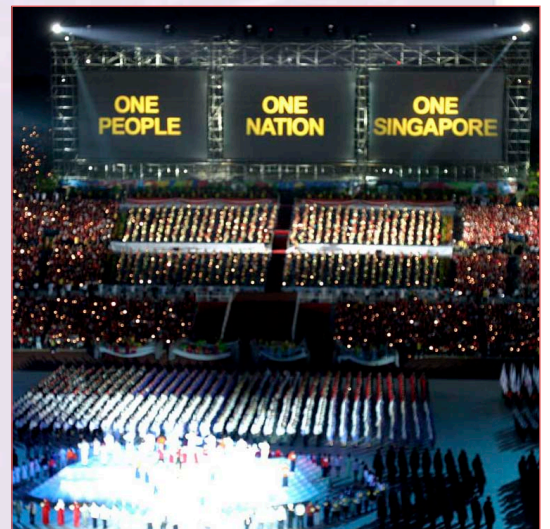

SINGAPORE NATIONAL DAY PARADE 2003

Large-scale cultural and military spectacular

FIELD PROJECTIONS:

- 12 x 6kw rotating double scroller PIGI projectors for field
- Projections combined from various positions and angles to produce an image area of 70m x 70m (210' x 210')
- Images projected onto ground cloth and large flag held aloft by 1000 participants
- Shallow projection angle – 24 degrees below horizon – called for extreme distortion correction and accurate projector positioning
- Projector layout determined by using laser survey and 3D CAD
- Custom designed mounting arrangements and weatherproof housings
- Projectors mounted on grandstand roof and 20m x 70m (60' x 210') scaffold structure
- Photographic & graphic imagery including kinetic / rotational effects
- Time-code synchronisation with sound track

Client: Showtec

GIANT SCREENS:

- 6 x 6kw double scroller PIGIs rear projected onto 3 cojoined 18x12m screens
- Paired projectors for cross fade and complex effects.
- Seamless video integration.
- More than 120 images timecode synchronised to soundtrack.
